Studio Class Descriptions

Barre - This class uses a combination of ballet, Pilates and yoga inspired poses done at the barre. Light handheld weights will also be incorporated to intensify the workout and floor mats will also be used for targeted core work.

Barre Strength - This is full body workout that incorporates heavier weights 5-8lbs instead of your classic 1-3 lbs. We'll still pulse (maybe a bit less), pli  and tuck as well as develop core strength and move to the tempo of upbeat music. The low impact cardio will have you working up a sweat and leave you feeling uplifted and strong! Not your typical barre class - all levels welcome!

Bollywood Workout - an exhilarating cardio blast spiced up with groovy Bollywood "jhatkas" and "thumkas" (grooves and moves) for that full body workout like never before. The class focus is on improving fitness, relieving stress, building team spirit and confidence while boosting concentration.

Bootcamp - A conditioning circuit class designed for the aspiring athlete in all of us! This class combines sport specific drills, interval training and strength stations.

Cardio Bootcamp - This cardio circuit class is designed for the aspiring athlete in all of us. Using a variety of equipment, this class will strengthen your muscles and heart.

Core & Stretch - Build your core with exercises that challenge your strength and stability, as well as relax your spine and hips with some great yoga stretches.

Court Fit - A bootcamp class for racquet sport enthusiasts! Focus will be on strength, speed, endurance, flexibility. Please wear clean, non-marking athletic shoes.

DanceFit - Increase the FUN in your fitness! Fun moves & fun music equals a fit body at this choreographed cardio workout. Improve your cardio endurance, core strength, flexibility & exercise attitude! No experience necessary.

Dance Fusion - A choreographed dance fitness class that incorporates Bollywood, Bolly X, K-pop, and Latin while grooving to some of the best top 40 music. It's a Dance Party on Friday nights here at the YWCA. Everyone welcome.

HIIT - This is a high intensity interval training class. You'll burn calories, build strength and have fun. Utilizing various equipment, this will be a full body workout. Short on time or just want a quick workout?

Indoor Cycling - Cycle classes are a great cardio workout for everyone. Maximize YOUR caloric expenditure while utilizing the power of your internal motivation. No experience necessary, all levels welcome. Bring water.

Qi Chong - An ancient practice for stress and more energy. This style of Qi Gong will improve circulation, strengthen the muscles, flexibility and increase cardiovascular health creating resiliency for health and vitality.

Pilates Mat - This class teaches a series of mat exercises with progressive options for all levels.

Restorative Stretch - This class will stretch and target your major muscle groups in a variety of different ways and intensity

options, helping to balance joint and soft tissue flexibility.

Strength + Stretch - full body workout using lighter weights and moderate repetitions. End with a stretch to increase mobility & flexibility and reduce stress.

Step Circuit - Maximize your time and burn countless calories in this full body workout that combines aerobic intervals with segments of muscle conditioning. This class is less choreographed than step.

TRX Xpress - TRX is one of the most effective ways to challenge core strength and stability. You will build muscle and increase cardiovascular fitness. All levels welcome, modifications given. Note: ticket system in effect, pick yours up at Member Services 15 min prior.

Yin & Meditation - a 30 minute Yin Yoga class followed by a 15 minute meditation.

Yoga Flow - Improve your flexibility, strength and balance with a selection of Yoga poses taught in a flowing sequence.

Zumba - Zumba is a fusion of Meringue, Salsa, Samba, Mamba, Cha-cha-cha, Cumbia, Flamenco, Belly dance, and Tango moves. We will teach you step-by-step moves, no dance experience needed!

Zumba Tone - It's Zumba with light weights to help you focus on specific muscle groups. The weights will help with your rhythm and coordination, while toning target zones, including arms, core and lower body.
