

# YWCA SKILLS FOR SUCCESS

**64 participants**

embarked on a journey of growth and empowerment.

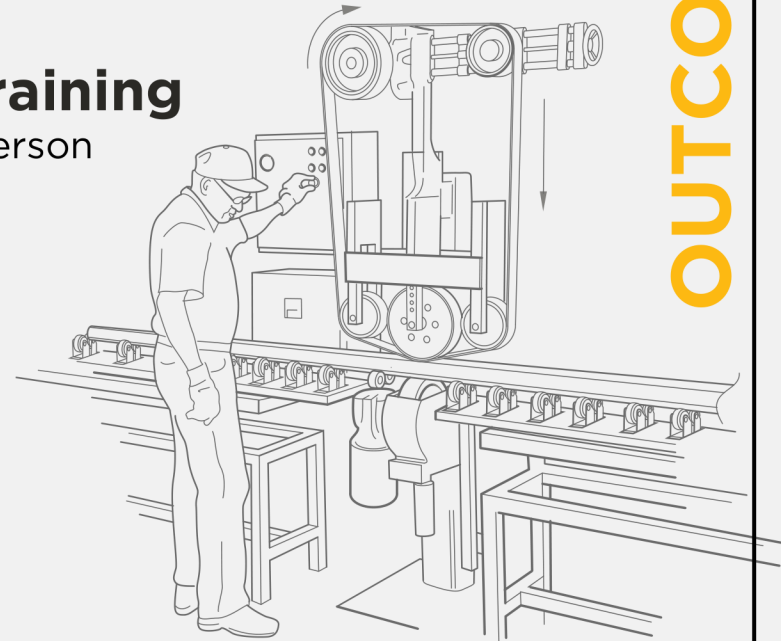

## TRAINING

**600 hours of training**  
online and in-person

**10 site tours**

**3 hiring fairs**

organized by the program to forge vital connections between participants and employers within the manufacturing industry.

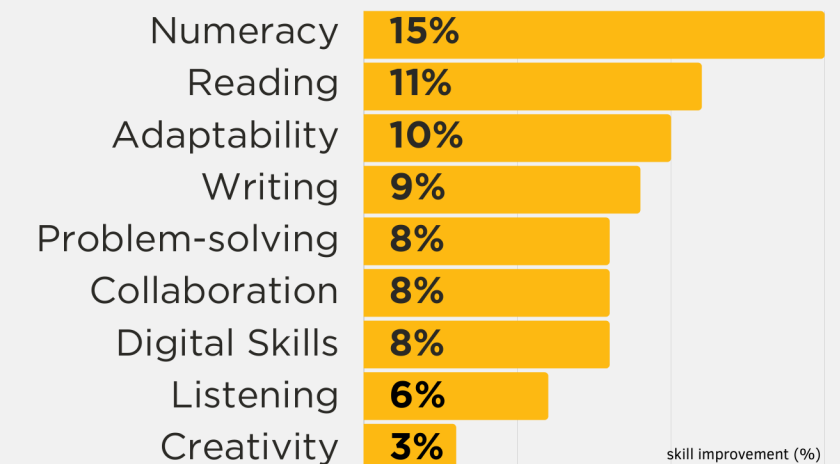

## OUTCOMES

**78%** of the participants secured employment in manufacturing

After the program concluded, participants were invited to respond to a survey, revealing they improved their skills by:

**+12 nationalities**

It's been a win-win relationship with YWCA. We're finding candidates, we're able to bring them onboard right away and both of the candidates have stayed and passed their 8-weeks. So, we look forward to seeing them growing in the future with us.
