AquaGroove - Everyone welcome! Each class is choreographed to the beat of an exciting and innovative play list. Elongate your muscles and strengthen your whole body while “grooving” to the beat of your favorite hits! Deep AquaGroove requires a float belt or people can take part in the shallow end if they prefer.
AquaLite - Designed to improve mobility, strength and general fitness with low impact. Recommended for those who have joint pain, restricted mobility or are recovering from an injury.
Aqua Rise - This 45-minute class uses water resistance and body weight in a low impact setting. While focusing on core stability and cardiovascular movements this high energy class is designed to challenge and motivate you. A great way to start the day!
Aqua Pilates - A type of aquatic suspension training activates the core, builds strength and mobility without joint load, increases performance, and improves balance recovery. An advanced strength workout done on a diagonal line with front, side and reverse planks.
Power Hour - A 60-minute high energy class that uses water resistance and body weight to challenge your cardiovascular system and muscle strength. Deep and shallow options are incorporated. Everyone welcome.
